STUDENT PARLIAMENT

IDEAS:

Mentoring programs: Creating programs where older students can mentor younger ones, helping them to adapt to University life.

Cultural events: Organizing festivals, performances, concerts, international cultural days to promote diversity and mutual understanding.

Psychological support: Establishment of a psychological support center for students, organization of meditation and stress management trainings.

Technology initiatives: Creating a platform for developing and testing new technologies, organizing hackathons and technology conferences.

Volunteer programs: Involving students in volunteer projects in the local community or at campus.

Innovation projects: Supporting student groups to develop new ideas and projects that could lead to new products or services.

STUDENT PARLIAMENT

IDEAS:

Support for academic success: Providing access to additional learning resources, support for studying and developing study skills.

Career fairs and meetings with employers: Holding events where students will have the opportunity to meet with potential employers and learn about employment opportunities.

Digital literacy programs: Organization of trainings and courses on digital skills to help students become more competent in the modern information world.

Support for student clubs and organizations: Providing resources and support for the development of student interest groups and organizations.

WHAT WE WANT TO DO TO IMPROVE STUDENT LIFE:

To create a student newspaper or blog. It will allow students to express their opinions, share news and information about events at the University.

To support physical health and sports. To provide access to sports facilities and health services, organize sports competitions and recreational activities.

To organize specialized events. To hold themed parties, festivals and events that meet the interests and needs of the student community.

STUDENT PARLIAMENT LIFE:

The Student Parliament is a student self-government body consisting of elected representatives of the student community. It is responsible for the protection of students' interests, the organization of events and projects, as well as the interaction with the University administration.

The main goal of the Student Parliament is to encourage student life, solve problems and issues related to the student community, ensure the interaction between students and the University administration.

The Student Parliament takes an active part in the University life, implements new ideas and tries to make the University a better place. Entering the Student Parliament opens up a lot of amazing, interesting and awesome opportunities.

STUDENT PARLIAMENT ADVANTAGES:

1

**Opportunity to affect
decision making**

Members of the Student Parliament have the opportunity to take part in decision making regarding student life and affect the University policy.

2

Scholarships:

Working in the Student Parliament, taking an active part in University life, a student can easily receive a monthly scholarship.

3

**Representation of
students' interests**

The Student Parliament allows students to represent and protect interests of their community before the University administration.

STUDENT PARLIAMENT ADVANTAGES:

4

**Organization of
events and projects**

Members of the Student Parliament are provided with the opportunity to organize and manage diverse events, projects and initiatives to improve student life.

5

**Development of
leadership skills**

Participation in the Student Parliament allows students to develop their leadership and communication skills and cooperate with various groups of people.

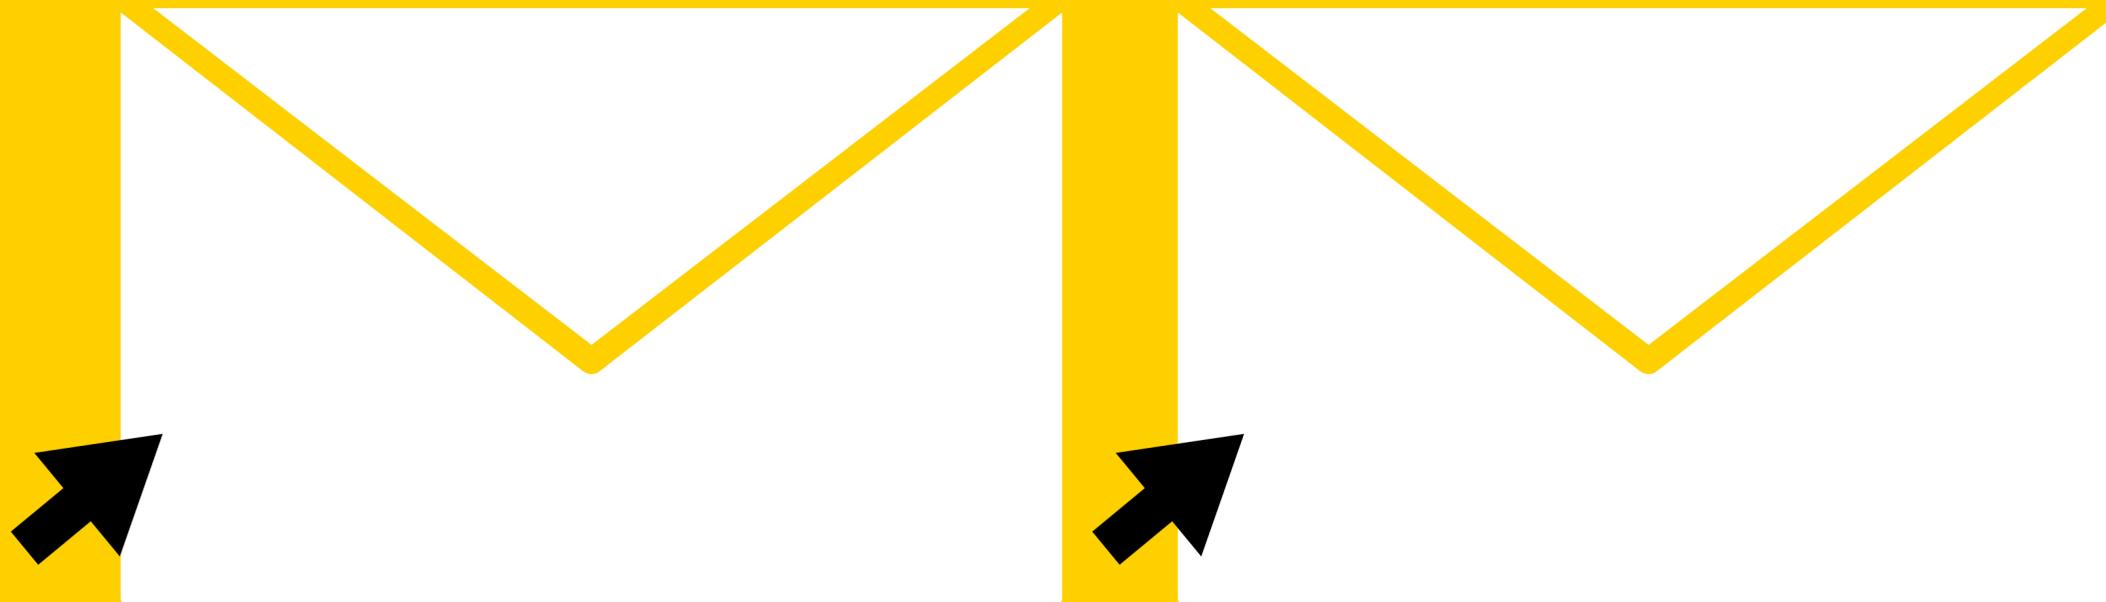

6

**Cooperation with the
administration**

Members of the Student Parliament are able to cooperate with the University administration to solve student community issues.

All these benefits make participation in the Student Parliament a useful and interesting thing for students, improving student life at International European University

THE STUDENT PARLIAMENT

IS A STUDENT SELF-GOVERNMENT BODY

The Student Parliament is a student self-government body that represents and protects the rights and interests of students at the higher education institution. It is a kind of bridge students and the administration, allowing young people to affect the life of their University. So, what are the functions and objectives of the Student Parliament? First of all, it is representation:

It is the voice of students before the administration, lecturers and other stakeholders.

- Rendering opinions and needs of students to the University administration.
- Protecting the rights and interests of students.
- Participation in decision making:
- Taking part in the development and adoption of student life decisions.
- Introducing suggestions on improving the educational process, living conditions, scholarships, etc. Monitoring the execution of adopted decisions.

THE STUDENT PARLIAMENT

ORGANIZATION OF EVENTS

Holding cultural, sports, scientific, charity and other events for students.
Contributing to the development of creative abilities and self-fulfillment.
Supporting students' initiatives and projects. Besides, the Student Parliament can focus on a wide range of issues, including: the quality of education, class schedule, scholarships, academic mobility, dormitories, nutrition, medical service, employment, social protection, psychological assistance, concerts, exhibitions, festivals, tournaments, sports competitions, healthy lifestyle.

International European University holds individual career guidance, career and therapeutic consultations for students by the psychologist. Our University has the European Platform of Equality designed for the prevention and elimination of various types of discrimination.

The Student Parliament is a crucial element of democratic life of any higher education institution. It allows students to be heard and affect the surrounding environment.
