Feedback, Suggestions, and Recommendations from Students for Improving the University's Activities

Engage more new international internships that actively cover all specializations and promote their activities on social media

Everything is great 👍😊

Excellent communication from the Directorate and instructors.

I would like to return fully to offline learning as soon as possible.

Organize more meetings with major companies like EPAM.

I am satisfied with everything, and I wish the University success!

Achieve your goals! The best choice of university!
