

**THE QUALITY OF THE EDUCATION  
PROCESS IN THE “MEDICINE” EP  
2022/2023**

# The survey participants included:

Year of study

Year of study	Amount	%
I	38	39,6
II	27	28,1
III	7	7,3
IV	6	6,2
V	9	9,4
VI	9	9,4

# Please share your opinion on the implementation of the educational program at the University:

Is sufficient time allocated for independent study of specific topics within the courses?

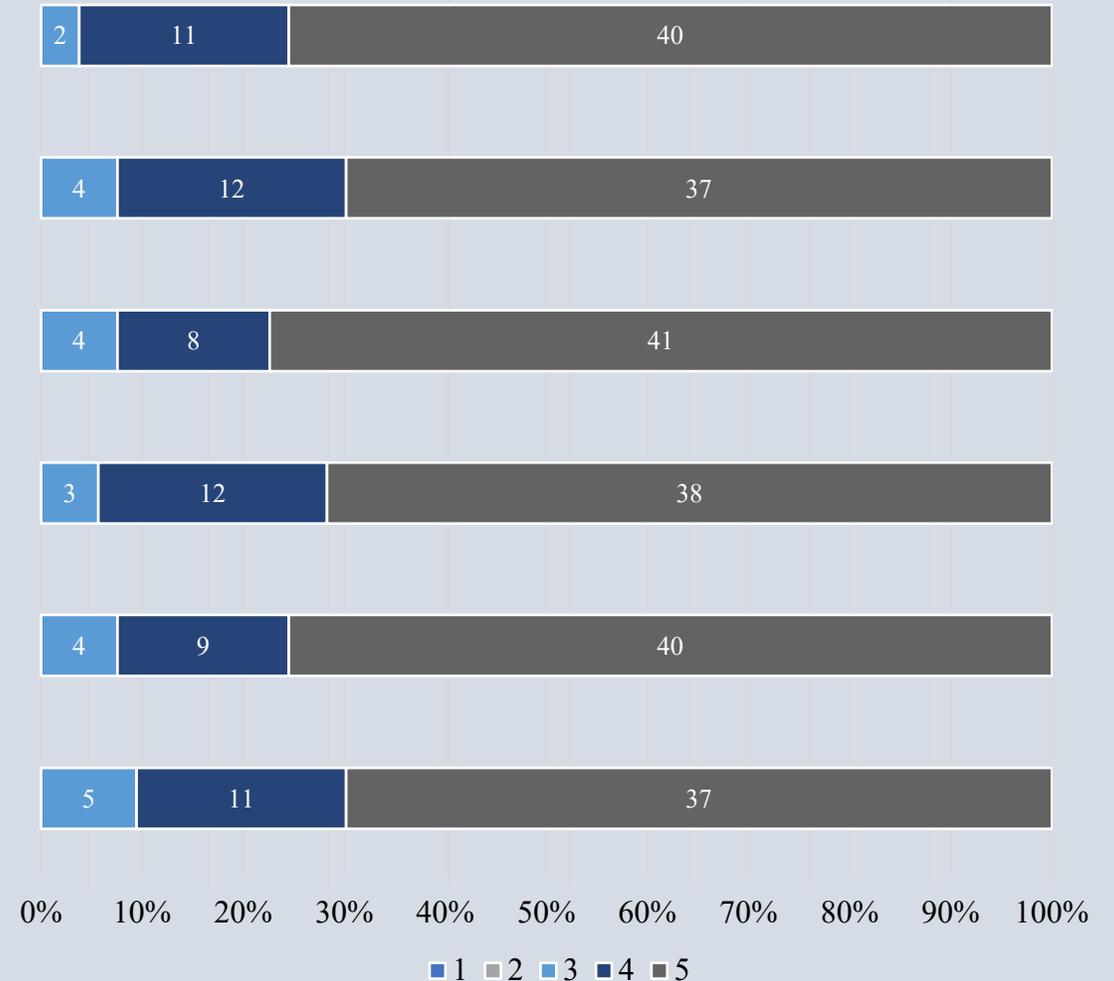

Are the courses in the educational program primarily focused on developing the competencies necessary for future professional activities?

Are you satisfied with the mandatory courses in the educational program you are enrolled in?

Are the objectives, goals, and expected outcomes of the courses clear to you?

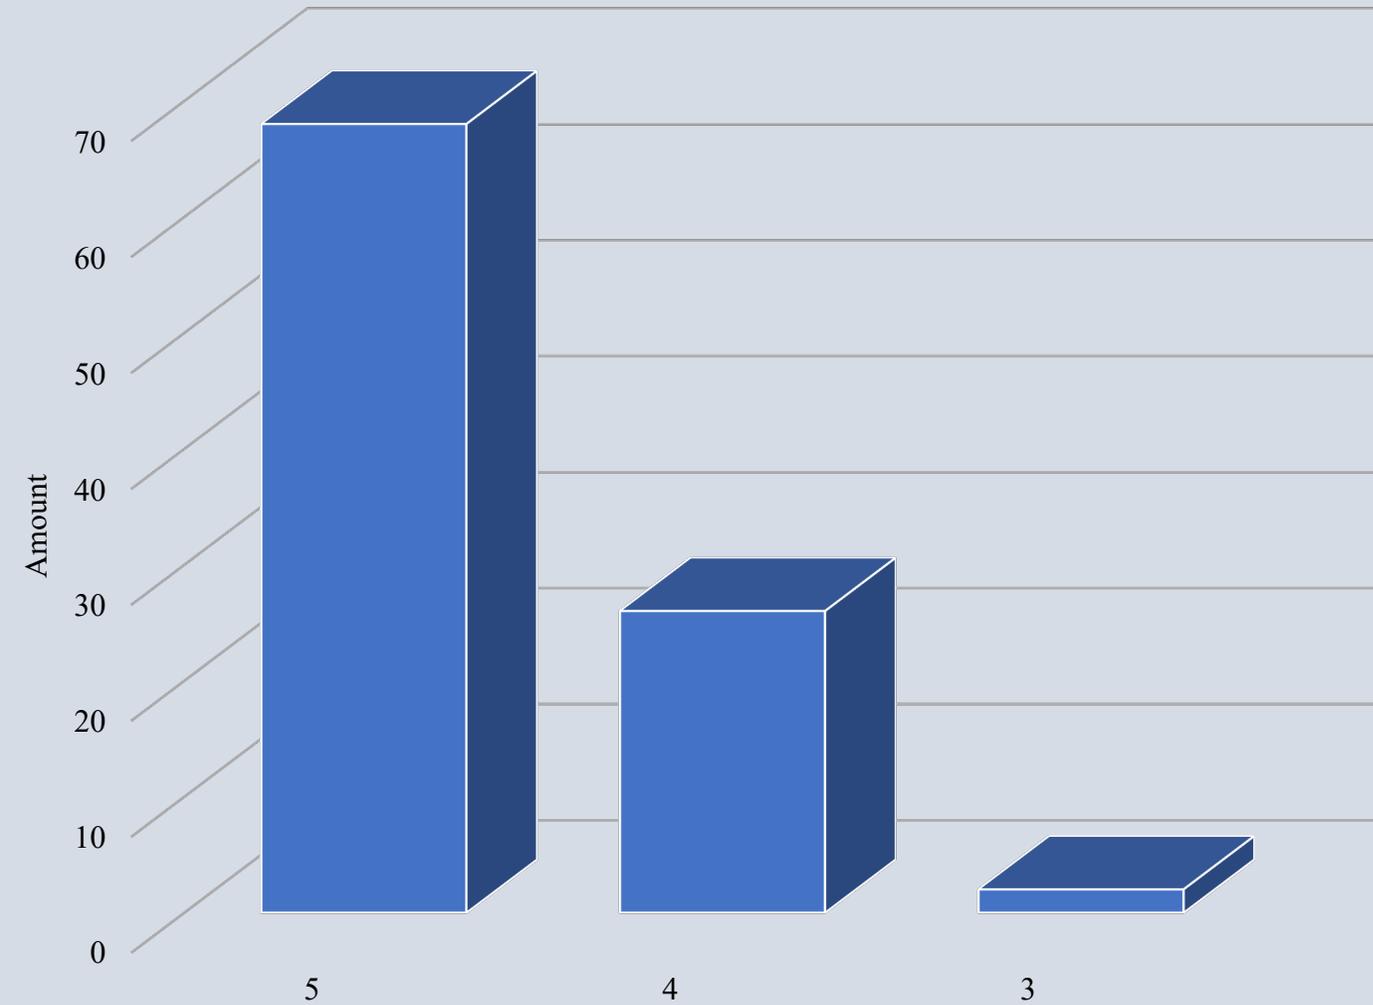

Are you satisfied with the organization of the educational process within the educational program you are studying?

Are you satisfied with the procedure of being informed about the educational process during the academic period?

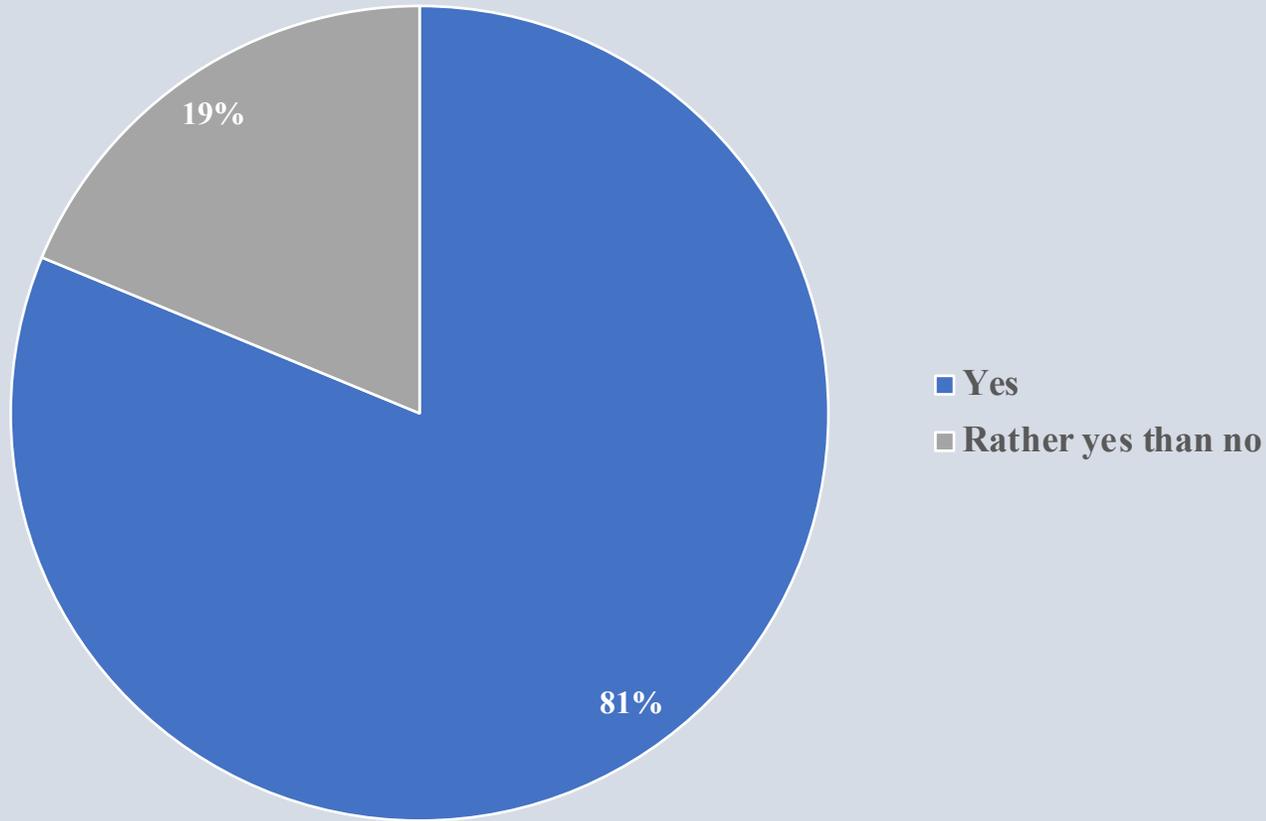

*Satisfaction rating for the above-mentioned indicators from 1 to 5, (where 1 – needs significant improvement, and 5 – completely satisfactory)*

# Please evaluate how well the University ensures the implementation of individual educational trajectories for students

Answers	Amount	%
<b>5</b>	<b>68</b>	<b>70,8</b>
<b>4</b>	<b>26</b>	<b>27</b>
<b>3</b>	<b>2</b>	<b>2,2</b>

Answers	Amount	%
Yes	78	81
Rather yes than no	18	19

# Were you involved in the revision of the educational program?

# Did you provide suggestions on improving the educational program?

Answers	Amount	%
Yes	79	82
No	17	18

Answers	Amount	%
Yes	15	16
No	81	84

we would like more hours dedicated to human anatomy to deepen our understanding

it would be helpful to have more practical sessions to reinforce the theory

I would like to return fully to offline study as soon as possible 👍😊

The feedback on assignments is constructive

Teachers bring real-world experience into the classroom, it's cool
